

No Application Required

Embry-Riddle Excellence Award

Dear CCAF Fall 2009 Graduate,

All of us at the Northern Utah campus of Embry-Riddle want to take this opportunity to congratulate you on completing your Community College of the Air Force Degree.

Embry-Riddle has chosen to take a slightly different approach to awarding scholarships. Our goal is to recognize every graduate and to hopefully encourage each graduate to consider continuing working toward a Bachelors or higher degree. So rather than presenting a larger scholarship to one or two people, we will present a \$100 scholarship to every CCAF graduate. We call these scholarships our "Embry-Riddle Excellence Award" (EREA).

You do not have to apply or compete for this scholarship. At the end of the CCAF graduation ceremony we will have a table set up in the auditorium where you can pick up your EREA scholarship letter.

Again, congratulations on completing your CCAF degree, we look forward to seeing you at the graduation ceremony.

Sincerely,

ERAU Northern Utah Campus Staff
